SUPERVISING SANITARIAN

376319

Description

JOB ANNOUNCEMENT

Supervising Sanitarian

Department of Public Health

Number of Positions: 1

Mission: *CDPH works with communities and partners to create an equitable, safe, resilient and Healthy Chicago.*

Under general supervision, supervises Sanitarians engaged in conducting inspections of establishments that process, prepare, and/or serve food to enforce food safety, sanitation codes and licensing requirements, and/or supervises Sanitarians engaged in conducting inspections of swimming pools and spas to enforce environmental health codes and licensing requirements.

ESSENTIAL DUTIES:

- Reviews inspection reports and citations issued for completeness, accuracy, and appropriateness of findings
- Assigns inspections or complaints of sanitation violations to staff and monitors to ensure they are conducted thoroughly and efficiently
- Provides assistance and instruction to staff on complex inspections and investigations.
- Conducts field visits to observe inspections and ensure compliance with departmental protocols
- May assist in conducting inspections and investigations and in preparing reports on findings
- May issue citations for health code violations
- Testifies in Administrative Hearings regarding violations found
- Oversees the training of new staff on inspections, food safety and sanitation codes, environmental health codes and licensing requirements
- Prepares reports on inspection activities
- Supervises the maintenance of inspection documents and reports
- Responds to citizen complaints and inquiries on health code violations and compliance methods
- Serves as a liaison to City departments, public agencies, and the general public on sanitary codes and enforcement issues

- Monitors and reviews work performance and productivity of Sanitarians and administrative staff, administers disciplinary actions as required and conducts performance evaluations of staff
- Assists in collecting samples and taking swabs for laboratory analysis as required

Additional duties may be required for this position.

Work Location: Department of Public Health
Food Protection Program

Address: 2133 W. Lexington St. (Main office)
Chicago IL 60612

Hours: Monday-Friday, 8:30am to 4:30pm. Additional hours may be required to cover the on-call rotating schedule. Supervising Sanitarians are required to work in **all** communities in the City of Chicago.

THIS POSITION IS IN THE CAREER SERVICE
